SMOKESTAR II is designed to greatly reduce cleaning and maintenance costs created by traditional ashtray technology.

SMOKESTAR II Plus (standing or free) can be used in place with cigarette lights.

SMOKESTAR II II is available without the weather-protection hood for outdoor or covered installations.

INSTALLATION: Hood & Unit fit are locked securely with a standard allen key.

To empty the unit, unlock and lift out the hood, slide out the unit tray & dump the duds.

SMOKESTAR requires no messy ash or water.
