

Covered Walkways & Entrance Canopies

At Mountain, we manufacture a wide range of attractive covered walkways and entrance canopies to suit any building decor or application. Whether you are trying to ferry your employees safely to their cars, provide a bold statement to the front of your building or protecting your customers from the elements, we can provide a practical and cost effective solution to your problem.

Our covered walkways come in a variety of styles from the ever classic peak, to vaulted domes, to what ever you can dream up? Glass sidewall panels add a further element of protection. As always, you can choose from a wide variety of standard colors or we can custom match your favorite. Our baked on polyurethane powder-coated finishes will provide many years of trouble free operation.

Looking for something a little different? Why not contact our team to see how we can help design and manufacture the ultimate look that you are trying to achieve!
